The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Short Title.--This act shall be known and may be cited as the "Urban Redevelopment Law."

Section 2. Findings and Declaration of Policy.--It is hereby determined and declared as a matter of legislative finding--

(a) That there exist in urban communities in this Commonwealth areas which have become blighted because of the unsafe, unsanitary, inadequate or overcrowded condition of the dwellings therein, or because of inadequate planning of the area, or excessive land coverage by the buildings thereon, or the lack of proper light and air and open space, or because of the defective design and arrangement of the buildings thereon, or faulty street or lot layout, or economically or socially undesirable land uses.

(b) That such conditions or a combination of some or all of them have and will continue to result in making such areas economic or social liabilities, harmful to the social and economic well-being of the entire communities in which they exist, depreciating values therein, reducing tax revenues, and thereby depreciating further the general community-wide values.

(c) That the foregoing conditions are beyond remedy or control by regulatory processes in certain blighted areas, or portions thereof, and cannot be effectively dealt with by private enterprise under existing law without the additional aids herein granted, and that such conditions exist chiefly in areas which are so subdivided into small parcels and in divided ownerships that their assembly for purposes of clearance, replanning and redevelopment is difficult and impossible without the effective public power of eminent domain.

(c.1) That certain blighted areas, or portions thereof, may require total acquisition, clearance and disposition, subject to continuing controls as provided in this act, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation or conservation, and that other blighted areas, or portion thereof, through the means provided in this act, may be susceptible to rehabilitation or conservation or a combination of clearance and disposition and rehabilitation or conservation in such manner that the conditions and evils hereinbefore enumerated may be eliminated or remedied. ((c.1) amended June 26, 1968, P.L.263, No.125)

(d) That the replanning and redevelopment of such areas in accordance with sound and approved plans for their redevelopment will promote the public health, safety, convenience and welfare.

(e) That there exist within the Commonwealth both within and outside of certified redevelopment areas, properties which have become derelict, abandoned or unfit for human habitation or other use by reasons of age, obsolescence, prolonged vacancy, dilapidation, deterioration, lack of maintenance and care or general neglect. ((e) added June 23, 1978, P.L.556, No.94)

(f) That such derelict properties individually and collectively constitute a blight and nuisance in the neighborhood; create fire and health hazards; are used for immoral and criminal purposes; constitute unreasonable interferences with the reasonable and lawful use and enjoyment of other premises in the neighborhood; are harmful to the social and economic well-being of any municipality; depreciate property values; and, generally jeopardize the health, safety and welfare of the public. ((f) added June 23, 1978, P.L.556, No.94)

(g) That there exists a serious shortage of decent, safe or sanitary housing accommodations and for related usages, and that the acquisition of blighted properties for residential and related uses, by eminent domain is a proper public purpose which will promote public health, safety and welfare. ((g) added June 23, 1978, P.L.556, No.94)

(h) That there exists within the Commonwealth, both within and outside certified redevelopment areas, an inadequate supply of residential owner-occupied and rental housing due, in part, to the deterioration of older dwellings, the elimination of substandard dwellings by governmental action, the increased cost of construction and the unavailability of affordable financing from the private sector. ((h) added Mar. 30, 1988, P.L.304, No.39)

(i) That there exists within the Commonwealth, both within and outside certified redevelopment areas, deteriorating commercial and industrial areas and/or individual structures, due, in part, to the fact that there are no private funds available to finance the purchase, construction, rehabilitation, demolition or equipping of the commercial and industrial properties at interest rates that would make the commercial or industrial project economically feasible. Such commercial or industrial projects are needed for the social and economic well-being of communities within the field of operation of authorities. ((i) added Mar. 30, 1988, P.L.304, No.39)

Therefore, it is hereby declared to be the policy of the

Commonwealth of Pennsylvania to promote the health, safety and welfare of the inhabitants thereof by the creation of bodies corporate and politic to be known as Redevelopment Authorities, which shall exist and operate for the public purposes of the elimination of blighted areas through economically and socially sound redevelopment of such areas, as provided by this act, in conformity with the comprehensive general plans of their respective municipalities for residential, recreational, commercial, industrial or other purposes, and otherwise encouraging the provision of healthful homes, a decent living environment and adequate places for employment of the people of this Commonwealth. Such purposes are hereby declared to be public uses for which public money may be spent, and private property may be acquired by the exercise of the power of eminent domain.

(2 amended May 27, 1957, P.L.197, No.98)

**Compiler's Note:** Section 2 of Act 35 of 2006 provided that as much of section 2 as relates to condemnation of blighted premises and is inconsistent with Act 35 is repealed.

Each such Authority shall transact no business or otherwise become operative until and unless a finding is made as hereinafter provided in this section.

(b) At any time after passage of this act the governing body of any city or county may find and declare by proper ordinance or resolution that there is need for an Authority to function within the territorial limits of said city or county, as the case may be.

(c) The governing body shall cause a certified copy of such ordinance or resolution to be filed with the Department of State and a duplicate thereof with the Department of Community Affairs; upon receipt of the said certificate the Secretary of the Commonwealth shall issue a certificate of incorporation. ((c) amended June 26, 1968, P.L.263, No.125)

Section 4.1. Dissolution of City Authorities.--If a city authority has never issued any bonds, or incurred any other debts or contractual obligations, or has paid and has been released from and discharged of all debts and bonded, contractual and other obligations, the governing body of the city may, after three years from the date of the certificate described in subsection (c) of section 4, or earlier if a proper resolution of the authority requests the action hereinafter described, find and declare by proper resolution that its functions can be more properly carried out by a county authority and that there is no longer any need for the authority created for such city to function. In such case the governing body shall issue a certificate reciting the adoption of such resolution, and shall cause such certificate to be filed with the Department of State and two duplicates thereof with the Department of Community Affairs. Upon such filing the city authority shall cease to function, and title to any assets held by the authority at that time shall pass to the city. A copy of the certificate described in this section shall be admissible in any suit, action or proceeding and shall be conclusive proof that the authority has ceased to be in existence.

(4.1 added Nov. 16, 1967, P.L.498, No.243)

Section 4.2. Dissolution of County Authorities.--If a county authority has never issued any bonds, or incurred any other debts or contractual obligations, or has paid and has been released from and discharged of all debts and bonded, contractual and other obligations, the governing body of the county may, after three years from the date of the certificate

described in subsection (c) of section 4, or earlier if a proper resolution of the authority requests the action hereinafter described, find and declare by proper resolution that there is no longer any need for the authority created for such county to function. In such case the governing body shall issue a certificate reciting the adoption of such resolution, and shall cause such certificate to be filed with the Department of State and two duplicates thereof with the Department of Community Affairs. Upon such filing the county authority shall cease to function, and title to any assets held by the authority at that time shall pass to the county. A copy of the certificate described in this section shall be admissible in any suit, action or proceeding and shall be conclusive proof that the authority has ceased to be in existence.

In the case of a city of the third class, a majority of the members of the Authority shall be residents of the city, and the remainder may be nonresidents who own and operate businesses in the city in which the Authority is to operate.

(5 amended Nov. 23, 2004, P.L.943, No.137)

Members of an Authority shall not be liable personally on the bonds or other obligations of the Authority, and the rights of creditors shall be solely against such Authority. An Authority may delegate to one or more of its agents or employes such of its powers as it shall deem necessary to carry out the purposes of this act, subject always to the supervision and control of the Authority.

Section 8. Interest of Members or Employes.--No member or

employe of an Authority shall acquire any interest, direct or indirect, in any redevelopment project or in any property included or planned to be included in any redevelopment area, or in any area which he may have reason to believe may be certified to be a redevelopment area, nor shall he have any interest, direct or indirect, in any contract or proposed contract for materials or services to be furnished or used by an Authority, or in any contract with a redeveloper or prospective redeveloper relating, directly or indirectly, to any redevelopment project. The acquisition of any such interest in a redevelopment project or in any such property or contract shall constitute misconduct in office. If any member or employe of an Authority shall already own or control any interest, direct or indirect, in any property later included or planned to be included in any redevelopment project under the jurisdiction of the Authority, or has any such interest in any contract for material or services to be furnished or used in connection with any redevelopment project, he shall disclose the same in writing to the Authority and to the Department of Community Affairs and the local governing body, and such disclosure shall be entered in writing upon the minute books of the Authority. (i) To acquire by eminent domain any real property, including improvements and fixtures for the public purposes set forth in this act, in the manner hereinafter provided, except real property located outside a redevelopment area; ((i) amended Dec. 1, 1959, P.L.1637, No.603)
