Re: Extension Request Letter

To Whom It May Concern,

The Harrisburg Area YMCA completed the first phase of the townhome construction for the YMCA Harrisburg Cornerstone Initiative, LLC in the Camp Curtin Community in late summer 2023. Our initiative succeeded in building four single-family owner units, sold at an affordable cost to four families, and kept tax-free for the next ten years.

Upon completion of phase 1, we took a pause to dive into what we did well and what we can do even better moving into phase 2. Phase 2 consists of four Jefferson Street properties. We've decided to create a committee to help monitor and propose ideas for phase 2. Members from our Area Board of Directors and staff of the Harrisburg Area YMCA make up this committee. Together we will create the structure for best practices for the YMCA Harrisburg Cornerstone Initiative, LLC. This will ensure a smooth construction process of the Jefferson Street properties.

The YMCA Harrisburg Cornerstone Initiative, LLC hereby requests an extension for an additional 6 months to continue the planning and development of our committee and furthering the best practices surrounding phase 2 of the project.

Thank you for your consideration,

Megan Maurer
